

## **PARTICIPANT LAB PROTOCOL**

All surfaces and equipment will have been sanitised prior to your arrival.

On arrival please clean your hands with the provided sanitiser.

You are required to wear a face covering at all times during your visit to the lab space unless medically exempt. You are welcome to wear suitable personal coverings and a covering will be provided if you do not have your own option.

Please try to have minimal contact with surfaces and equipment whilst in the lab space.

The researcher will be on hand to answer any specific questions regarding the experimental research, but please ensure you maintain the regulated 'social' distance.

Once you have completed the experimental process please leave the lab and follow the directional markings to exit the building.

If you have any problems or need of assistance during your visit to the research labs please contact one of the following emergency numbers:
